Cabinet Finish: _____

Please fax to: 614-436-0345

Upper Wall Cabinets: ☐30" ☐36" ☐42"

Instructions:

1. Below we have provided graph paper to draw your walls. List the dimensions of the walls (in inches)
2. Indicate on walls the position of your windows and write down the following related lengths (in inches): from corner to window, length of window and remaining space from window to end of wall.
3. Draw where appliances are (i.e. dishwasher, refrigerator, stove, oven, etc.) and the widths of the appliances. Please let us know if you have unique appliances.
4. Note: if there are any special request you would like to keep in mind when designing your kitchen, please let us know in the additional notes space below.
